

YOUR TRUSTED BEHAVIORAL HEALTH & HUMAN SERVICES CONSULTING PARTNER

ABOUT US

At the forefront of strategic advisory services, and a singular focus on behavioral health, Consulting For Human Service (CFHS) partners with provider organizations, private equity firms, solution vendors, national and state associations to advance their business and prepare for what's next. Our commitment to excellence, obsession with positive culture, and curated solutions drive tangible results and help solve the most challenging problems.

WHY CHOOSE CFHS?

Unmatched Expertise

With 25+ years of experience and a team that promotes diversity, creativity, and visionary thinking, CFHS brings invaluable insights and a proven track record of success in all verticals of behavioral health and human services.

Personalized Approach

We understand that each engagement is unique. Our tailored solutions led only by senior consultants ensure that strategies are aligned, and expectations are exceeded. Our team approach can flex to support your organization in not only overcoming current obstacles, but in thriving and achieving lasting success.

Commitment to Excellence

At CFHS, we're not interested in finding short-term, transactional customers. Our commitment to collaboration and integrity fosters strong and lasting relationships. Our goal in every engagement is to operate as a trusted extension of your own team.

OUR SERVICES

Strategic Advisory Services

Retain expert insights to guide you through the intricacies of actionable strategic planning, service line expansion, optimization or divesting, board briefing, providing high energy keynote speakers, investment strategy development and market intelligence.

Merger & Acquisition Support

Our expertise spans the entire M&A lifecycle, including board and executive team education of market landscape and growth readiness; implementing a customized M&A playbook; nonprofit provider match-making experts; sell-side preparation; buy-side diligence; comprehensive support in all phases of transactions; and post-close people and culture integrations services.

Operational Excellence

We enhance organizational health and evolve existing operations for scale through organizational assessments; tailored solutions to streamline operations and enhance clinical quality; technology strategy; procurement and solution design; fractional C-Suite roles; HR; compliance; business development; talent assessments; succession planning; and more.

Marketing & Business Development

Customized strategies to elevate your brand, expand your market reach, and drive meaningful growth. Target market development, segmentation, and research.
